TECEP® Test Description

World History from 1600-Present    HIS-126-TE

This TECEP® tests content covered in a one-semester course in early modern and modern world history. It focuses on the major economic, political, social, cultural, and technological trends during this time period and their impact on world societies. Topics include: the emergence of modern nation-states; the economic/technological interactions between Western and non-Western societies; changes in social/cultural ideas about religion and state; the growth of physical/virtual networks of information exchange. (3 s.h.)

- Test format: 80 multiple choice questions (1 point each)
- Passing score: 65% (52/80 points). Your grade will be reported as CR (credit) or NC (no credit).
- Time limit: 2 hours
